## Exhibition Information

### Ancient Wisdom

**DORMAN MUSEUM**

**31 March 19 April 2009**

**Tuesday to Sunday 9:30 to 17:00**

This Easter holiday discover the technological secrets of ancient civilisations through hands-on science exhibits. Fourteen free standing interactives introduce you to the astounding scientific and engineering achievements of the 'ancients'.

How did people raise water from a river to irrigate fields?

How were immense buildings constructed?

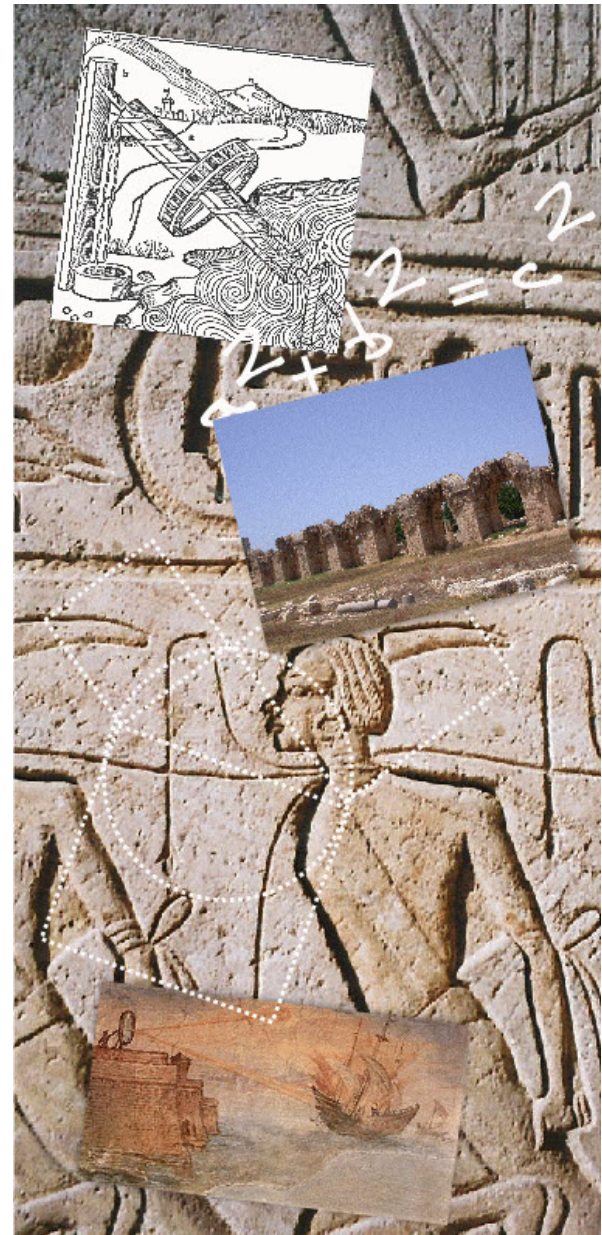

What were the first written languages like?

How were messages conveyed without telephones?

How was water moved across valleys?

How do you use the energy of the sun against your enemies?

Find the answers to these questions and more in this fascinating exhibition from Science Projects. Suitable for all ages and great fun!
